Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page Mise en garde – terminologie historique de BAC.

COPY

129-8-3

Original on 129-8-5.

Ottawa, August 30, 1935.

Sir:

I have your letter of the 15th instant, with general reference to the Whitefish Bay Indian Day School. The Department approves of the appointment of Mr. Ducharme at a salary of $70 per teaching month, and you may employ him immediately to supervise the completion of the building that will be used as classroom and teacher's residence. The Department will allow wood for the heating of both the classroom and the residence, but I regret that no transportation can be allowed the teacher and his family.

When the teacher arrives at the school, he should make requisition for whatever is required to complete the equipment and to conduct classes. Immediate and favourable consideration will be given to whatever you recommend. It should be remembered, however, that only what is absolutely necessary will be allowed, because of the experimental nature of this activity.

At the end of September you should in a separate communication make application for Mr. Ducharme's salary. His appointment as teacher will date from the day that he arrives at the school.

Your obedient servant,

T. R. L. MacInnes,

INDIAN OFFICE

At Kenora, Ontario.

16th September 1925.

Sir,

Enclosed herewith are the pay sheets for the Kenora agency.

As instructed by your letter #129-8-5 of 20th August last, Mr Dominique arrived in Kenora on the 27th August to take up his duties as Teacher at the Whitefish Bay School.

Owing to Inspector Dunn being here at the time, Mr D. Ducharme was not able to reach the school until Sunday the 30th, so I presume his salary will date from the 27th.

His salary will be $70.00 per teaching month plus wood for the heating of the premises.

Cheque for Mr Ducharme's salary should be sent to this office and can be paid from here at the same time the other salaries are paid.

I shall be glad to know if any deductions are to be made from the salary for any reason such as superannuation &c.

Your obedient servant.

Sir,—

Referring to your letter #129-8-3 of 19th instant re salary of teacher at Whitefish Bay School.

Mr Ducharme arrived here with no funds, and I hade to order supplies for him from the grocery stores and others and guarantee payment, also I had to purchase a quantity of supplies and take them up to him for the winter, as the school is situate over 50 miles from the Town, it would have been too expensive for him to hire teams and take them up in the winter.

Under the circumstancesand as he is only supposed to get paid quarterly, he has requested me to ask the Department if an advance could not be made to him to take care of his immediate needs.

Our Department Surveyor Mr Fairchild who has returned to Ottawa from the Whitefish Bay Reserve, will be able to give you information as to the necessity for this.

Ottawa, March 20, 1926.

Sir:

I beg to acknowledge receipt of your letter of the 16th instant, in which you request payment of the salary of Mr. Dominic Ducharme, teacher of the Whitefish Bay Indian Day School.

In reply I beg to say that the salaries of Indian day school teachers are paid at the end of each quarter on receipt of the quarterly returns. At the close of the present quarter, you should arrange to have the usual return forwarded, and on receipt of this the amount due for the March quarter will be sent.

I am aware that we have allowed Mr. Ducharme advances on his salary for previous quarters, but it is not intended to continue this practice indefinitely. Our funds for the present fiscal year are practically exhausted, and it is, therefore, impossible to make him an advance on his March quarter salary.

In connection with letter under, addressed to Mr. Agent Edwards, I spoke to Mr. Paget today and he stated that the extra allowance of $10.00 a month from Band funds to Mr. Ducharme would be paid by voucher submitted direct by the Indian Agent. It will, therefore, not be necessary to increase Mr. Ducharme's salary from $700 to $800. It should be noted, however, that the $150.00 advanced to the teacher by the Agent should be refunded to the latter.

Ottawa, August 1, 1930.

Sir:

I have your letter of the 25th ultimo, relative to the application which you received for the appointment of D. Lacoursiere as teacher of the Whitefish Bay Indian Day School for the coming school year, and stating the qualifications and experience which he possesses.

In reply I beg to say that the Department will approve of the appointment of Mr. Lacoursiere, with salary at the rate of $70 per teaching month, and will also allow him payment at the rate of $120.00 per annum from Band Funds, the same as was allowed the former teacher, Mr. D. Ducharme.

It will not be necessary for you to forward a voucher for the salary due Mr. Lacoursiere as teacher, as these vouchers are prepared here upon receipt of the quarterly return showing the attendance, days taught, etc. You should however, prepare the usual voucher, in duplicate, for the salary due each quarter which is payable from Band Funds.

Your obedient servant,

Dear Sir,

Mr. D. Lacoursiere, arrived here on the 12th. to take over his duties as Teacher at Whitefish Bay Day School.

We have taken him over the Kenora R.C.School and he has also discussed matters with the local Parish Priest, and appears interested in his work.

We are inclosing list of a few articles he will want immediately at the School.

When he has been there a little while he will send in a complete list of his requirments.

We are taking him up to the School tomorrow the 15th.and should he desire to stay we shall be glad to have authority as per our previous letter, but not yet authorized to get a few articles of Furniture.

Mr. Lacoursiere would also require an advance on his Salary as he will have quite a few immediate expenditures, and we would suggest that a cheque for the amount of $210:00 advance on the first quarterly salary be sent and made payable to this Office.

This could be deposited in the Bank in Kenora and advances made to him as he requires them. This would only be required at the start as after that, the Voucher would go through in the usual way.

Sir,-

With reference to that portion of your letter of the 14th instant which refers to an advance for the new teacher of the Whitefish Bay Indian Day School, I would point out that, as this teacher will not begin duties at the school until September 1st, there will only be an amount of $70.00 due him as teacher of the school at the end of September. Under these circumstances, the Department can only make an advance of this amount and a cheque is being forwarded in his favour, to you. If he finds it necessary to have additional funds early in October, you should make application for same and an advance will be made on his December quarter salary.

Replying to your letter 129-8-3 of 21st. inst. re Salary of Teacher at Whitefish Bay Day School.

Mr. Lacourciere went to the School on the 15th. inst. and the Indians having returned from the Berry picking, about that time, he opened School on the 18th. with 21 Children, and expected some more the week following.

We think therefore, his Salary should commence on the 15th. inst.

Sir,-

I beg to acknowledge the receipt of your letter of the 25th instant, with further reference to the salary of the teacher of the Whitefish Bay Indian Day School. It is noted that Mr. Lacoureiere began duties on the 15th instant and it is presumed that the school will close on or about June 15th, next, as salary is only provided for ten months in the academic year.

Under the regulations, it will not be possible to grant him a further advance on his September quarter salary. I trust, therefore, that you can assist him in his financing until some time in October, when, as stated in official letter of the 21st instant, an advance could be made on his December quarter salary.

Dear Sir;

We are now on treaty payments and will not be through till the 23rd. June.

Would you kindly make arrangements to send a cheque for the salary of Mr. D. Lacourciere, Teacher at Whitefish Bay School. $70:00 per month. June quarter.

He informs us that he is closing the School for the holidays on June 22nd. and he is then leaving for a trip, and would like to have his money for expenses. He will bring in his returns on that day, when we will forward them to the Department.

The reason we make this request is that we could not get his returns to Ottawa before he leaves, and it would hold him back from his holidays, awaiting receipt of his cheque, which we will not hand to him till we receive his returns.

In Letter No. 108-21 of January 30th, 1932, on File 93-129, Mr. Agent Edwards reports that, owing to a serious epidemic of flu on the Whitefish Bay Reserve, the day school on this reserve was ordered closed on January 28th. Dear Sir:

Inclosed please find Quarterly returns from the Whitefish Bay Day School. We shall be glad if you will send Mr. Lacourciere's cheque to this Office, as he will require it going on vacation.

The attendance is poor this quarter, as he informs us that the Indians left for the Rat Hunt, which was very successful, and means a lot of money to them, taking the children with them, and the School had to be closed from the 18th. to the 29th. of April. We are therefore informing the Teacher that, as the children missed these days, the holidays must be shortened and the School reopened earlier, to take care of the time lost.

The holidays are starting on June, 25th. (today)

Trusting this meets with your approval.

Sir:

It is noted from the last paragraph of your letter of the 29th ultimo that the teacher of the Whitefish Bay Indian Day School has not yet received his September quarter salary.

In this connection I would point out that salaries are paid on the basis of ten teaching months in the school year, and, consequently, cheque No. 5354 for $63, being the amount due Mr. Lacourciere for the month of September ($70 less 10%), was issued and forwarded to you on October 31st, last.

This cheque has been cashed, and was returned to the Finance Department on November 4th. It was endorsed "Frank Edwards, Indian Agent, Attorney for D. Lacourciere" and had been cashed in the Imperial Bank, Kenora.

Sir:

I have your letter of the first instant, enclosing a communication from Rev. Father Plourde, Winnipeg, with an application from Mr. Guy Chauvieres for the position as teacher of the Whitefish Bay Indian Day School, to begin duties as from November first, next. It is noted that his appointment is approved by Father Plourde.

The qualifications of Mr. Chauvieres are satisfactory, and the Department will approve of his appointment as from the date mentioned above, with salary at the rate of $70 per teaching month. I would request that you inform him accordingly and arrange with him to take up duties at the time mentioned. Later, you should advise the Department of the date when Mr. D. Lascouviere gives up duties and also the date upon which Mr. Chauviere commences work.

Owing to present regulations, it is rather difficult to make an advance on the salary of a teacher of an Indian day school. Possibly, you could guarantee payment for any supplies that Mr. Chauviere wishes to purchase and take in with him to the school. In that event, you should advise the Department, and his cheque at the end of November will be forwarded to you, in order that you can adjust the matter.
