Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page Mise en garde – terminologie historique de BAC.

Dear sir -

I regret that your letter No. 132.4.3 of December 29th has remained so long unanswered. I was away on a long journey and did not receive mail for three weeks. The Reverend H. Wallace received the cheque for Mr. Gilmore in November and forwarded it to him, but owing to heavy snow-fall before the ice was strong the mail was held up at Montreal Lake for two months. Kindly continue to have Mr. Gilmore's cheques sent to Mr. Wallace who is making arrangements with Mr. Gilmore about banking his money.

Yours faithfully,

Ottawa, April 22, 1932.

Sir:

I have your 307-11 of the 19th instant, relative to the granting of holidays at the Stanley Indian Day School during the months of April and May instead of during the regular period, viz., July and August.

In this connection I have to say that the Department concurs with the suggestion of the teacher, and will approve of the annual holidays being taken during the present month and the month of May, following. It is presumed from the teacher's remarks that the school has been closed since the first instant on account of the Indians being away on their trap lines. You may inform the teacher of the approval granted for the taking of the annual holidays during April and May and also that it is expected he will reopen the school on the first of June and teach continuously during the summer when the Indians are on the Reserve.

Ottawa, August 11, 1932.

Sir:

I have to inform you that His Lordship the Bishop of Saskatchewan has nominated the services of Miss Merritt, who has a permanent Second Class Professional Certificate for the Province of Saskatchewan and considerable teaching experience, as teacher of the Stanley Indian Day School. The Department is approving of her appointment, with salary at the rate of $95 per teaching month, less 10 percent for the current fiscal year.

His Lordship has recommended the transfer of Mr. T. M. Gilmore, who is at present teaching at the Stanley Indian Day School, as teacher for the coming school year at the Sturgeon Lake Indian Day School in the Carlton Agency. The Department has approved of the transfer of Mr. Gilmore, and is allowing him salary at the Sturgeon Lake School at the rate of $95 per teaching month, less 10 percent during the current fiscal year.

I may add, for your information, that the holiday period at the Stanley School was taken during the months of April and May, last, and it is presumed that this school has been in operation during July and August. Miss Merritt is to begin duties on September 1st, next. I would request that you arrange to give her any assistance you can in her work at Stanley.

Sir—

(No. 132-4-3)

In reply to yours of the 18th inst. I beg to state that I sent the returns D.W.W. Murison.— the returns for the month of June went out on the plane from Lac la Ronge the 1st Wednesday in July. I mailed them personally.
The returns for July & August went from Prince Albert where I mailed them. And so know that there's no mistake. I am enclosing Mr Murison's letter which speaks volumes. The very same thing happened last year when I was up North in Stanley. I did not get a cent from July till Xmas. now do you know prices in a place like Stanley at the H.B and Revillons's do exorbitant.

yet because I was not receiving my quarterly salary I had to pay those prices. Here I am in much the same fix — closed in here on a Reserve, without salary, and at the very time of year a man needs his money to buy his winter's supply of vegetables, fruit and meat.

The situation is unbearable, and I want you to take some action. I would suggest you wire Mr. Murison if he does not write in the meantime for I am writing him on this mail.

The fact remains I sent him the Returns. Now if I have to send them over again, it means that my letter to the Stanley teacher requesting same would arrive possibly in Stanley about Dec. 15th and perhaps not until Jan. 15th. Then it would lie there a month and I might receive a reply in February or March.

Therefore I trust the matter can be adjusted without further delay.

Yours truly
F. McIlmoyle.

Sir:-

I beg to inform the Department that on September 8th I received a communication from Mr. F. M. Gilmour, whose services as teacher at the Stanley Day School, Ile a la Crosse Agency, terminated on September 2nd. Mr. Gilmour stated in his letter that he had left the school returns in the school register at Stanley and, as it would take some time to get them from there, he urged that his salary be paid at once. I replied informing him that on the same date his letter was received here a copy of the school returns for the period he mentioned came to hand as well and I therefore concluded that the original return must have gone forward to Ottawa direct from Stanley. I am today in receipt of a further urgent letter from Mr. Gilmour stating that he is hard up for cash and asking me to wire particulars of the services to the Department to avoid delay. This however I do not consider would meet with your approval. I am therefore forwarding the copy of the school return which was sent to me and trust that a cheque will be forwarded to Mr. Gilmour as soon as possible.

July 12	6	11	This school is very well conducted. Mr. Spence is very conscientious, he has been holding school six day a week as pupils can only receive schooling a few months out of year. If on regular basis good results would be obtained. However, this is out of the question are parents are away hunting and trapping greater part of year.

Ottawa, April 7, 1937.

Dear Sir:

With reference to your letter of the 29th ultimo, the Stanley Seasonal School may be continued during the summer of 1937. It is understood that Mr. Ahab Spence is prepared to resume duties at this school, and he will be allowed salary at the same rate as last year, viz.: $95.00 a teaching month. You should arrange with him to prepare and forward to the Department the usual returns, showing the attendance, days taught, etc. His salary will be paid on receipt of these returns, which should be forwarded through your office.

As mentioned in official letter of the 17th ultimo, you should report further on this school if you have an opportunity of visiting Stanley during the coming summer.

I doubt if the suggestion contained in the last paragraph of your letter of the 29th ultimo could be put into effect. It would probably involve supplying relief, both for the children and for those looking after them.

Ottawa, July 11, 1940.

Reverend Sir:

With reference to your letter of the 2nd instant, I may say that the monthly salary rate for the teacher of the Stanley School is $90.00. The information that we received indicated that you commenced duties on April 29; consequently, you were paid for 2 days in April, or 2/30 of 90 = $ 6.00 plus $90.00 for the month of May, making a total of $96.00.

By a recent Order-in-council we are required to deduct 5% from all salaries of employees in the Public Service appointed to temporary positions since September 1, 1939. This money is deposited and principal and interest is repaid when you give up duties as teacher of an Indian day school. Consequently, 5% was deducted from your $90.00 salary for the month of June and a cheque for $85.50 was sent you.

Yours truly,

Philip Phelan,
Chief, Training Division.

Ottawa, June 17th, 1942.

Dear Sir:

I have your letter of the 12th instant, enclosing a requisition dated May 16th for supplies for the Stanley Indian Day School. Any delay that may occur in having these supplies delivered will be due in part to the fact that the requisition was not forwarded promptly to this office.

If at all possible, the Department desires to avoid shipping classroom supplies by air owing to the expense involved. However, in the present instance, there appears to be no other alternative in view of the delay in forwarding the requisition.

Mr. Spence was paid salary to July 10th, 1941, but did not forward any return for that period. In order to complete our records, it would be appreciated if you would arrange to have him forward the usual return for that period.

Please instruct Mr. Spence to forward a return at the end of each month during the period the Stanley School is in operation. Payment of his salary will be withheld until his return is received.

Yours truly,

$95.00 a month for five months if attendance warrants. Ce Letter 17/4/42 on 132-4-1.

Dear Sir:-

With reference to your letter file 132-4-4 dated the 17th, ultimo, I note your remarks regarding the requisition not being promptly forwarded to your office; This was caused by the fact that no post office is located at Stanley, it being located 50 miles by air from Lac La Ronge and can only send the mail out by someone going or by a plane that happens to come in at this point, our agency also being located in the country 12 miles from Leask where no provision is made for the receiving and despatching of mail causingdelay.

I have just recently returned from Stanley and have brought along the reports which I am forwarding.

I do not consider it very fair to hold up Mr. Spence's cheques owing to not forwarding his return as this entirely beyond his control; Air transportation is the only means of shipping class room supplies to this point in the summmer, and this being only a summer school and no teacher is employed until May when it was decided to open the school it was impossible to arrange for these supplies to come in by winter freight.

Dear Sir:

Please refer to the third paragraph of my letter of June 17th, File 132-4-4, and let me know when we may expect to receive Mr. Spence's return for the period the Stanley School was in operation to July 10th, 1941. The last return received from Mr. Spence for the academic year 1940-41 was for the quarter ended December 31, 1940. Mr. Spence should, therefore, forward his return for the period the school was in operation to July 10th, 1941.
