Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page Mise en garde – terminologie historique de BAC.

Madam,-

A communication has been received regarding the number of French Canadian pupils in attendance at the St. Joseph's Academy, Pierreville, and that the number is increasing each year to the prejudice of the Indian children.

I shall be pleased if you will furnish a brief report, stating the number of French Canadian children in attendance, as well as the number of Indian children enrolled and the total accommodation of the class-rooms. It is considered that the French Canadian children could attend their own schools at Pierreville.

I never knew that we were obliged to notifie the Department when a change is made in the teaching staff, chiefly through sickness, the teacher being replaced by a member of the same Order. I shall inform the Mother House, which is in Ottawa, and the Mother General will see to it.

Dear Sir:

The Department has received a letter from the Principal of the St. Frances R. C. Indian Day School, in which she states that several of the pupils are late for school and often lose half of the school day. She gives as reason for this irregularity the fact that the children are sent to the store at St. Francois du Lac, to obtain the relief allowed their parents.

The Department considers that the parents should go to the store to obtain the relief which they are allowed. This would permit the children to reach school on time and also avoid their losing any half day. If it is possible for you to do anything in t is regard, the Department would appreciate your taking action.

As soon as the Superior General has decided upon my successor as head of the school of the Abenaki Reserve of Pierreville, P.Q.(Odabak), I shall make it my duty to inform you of her qualifications.

The long period of forty years during which I have been connected with the Abenaki parents and children has been a source of profound satisfaction to me and of fruitful labour , not only for the children, but for the entire reserve at large.

May I hope that the Government will give some consideration to so many years of service in view of a pension?

Dear doctor McGill,

Living near Odanak, I cannot avoid being approached by interested parties as well as taking an interest in the work and life of the Indian mission, and so it is that the Superior of the Grey Nuns' Order, through her friends and admirers, confided to me the present request.

The term of Sister Marie-Josephine, as Superior of the convent, expires in two years only. She will have to carry on and remain where she is for that additionnal period of time although her salary as teacher is to be discontinued on account of having attained the age of sixty-five. This would cause duplication as another teacher would have to be brought in and at cost to the administration of the convent.

With her health and faculties well preserved, Sister Marie-Josephine still remains the heart and soul of the institution she has founded, and if it were at all possible to grant an extension of her term as teacher, it would not only mean economy but it would certainly be received with gratitude as a testimony of appreciation to the fine lady who consecrated her whole life for the good of the Indians.

Yours faithfully,

I am in receipt of your letter of July 18 with reference to Sister Marie-Josephine who has been Principal of the St. Francis R.C. Day School for many years.

As you mention in your letter she has now reached the age for retirement and as it is not the practice of the Department to apply for extension for teachers in Indian day schools I regret that no action can be taken in the case of Sister Josephine.

For your information I may add that although no provision is made for paying superannuation to teachers of Indian day schools it has been decided to allow Sister Josephine a grant equal to two months' salary and a payment of $140.00 has recently been forwarded to her.

Refering to the Department's letter addressed to Doctor Maurault, last June, concerning the School Year 1940-41, we were notified that the Teaching Term would be of nine months.

After being consulted, wether we would take the month of September or not, we decided to sacrifice the month of December. But, meanwhile, we intend to have the pupils benefit of special lessons in Manual Training, even though we are not to be paid for the said month.

As we have received neither salary nor School Material yet, we take the liberty to inform the Department of same.

You will oblige us greatly in taking interest in the matter, for, Sister Mary-Josephine, who is still the Superior of the Convent, has already notified the Secretary in regards to the School Material, which requisition was sent in to the Agent at the beginning of last June, as requested in letter C 1-1-4 dated April, 13, 1940.

Dear Sir:-

Referring to Memo 68-1 concerning the Retirement Fund which requires 5% of the salary of the employees, we would like to have an explanation concerning the different rate on each of the teachers' cheques, namely, the Principal's, on which cheque 7% was withheld.

We also returned to the Department of Finance a note which we received to the address of Sister Yves de Jesus notifying her that the amount of five dollars ($5.00) which had been deposited in the Retirement Fund, was now due to her on account of her being changed from the teaching staff. No reply has come yet. May we inform you, that, according to the Rule of our Order, this cheque must be addressed to Odanak.

We suggest that such allowance for the Retirement Fund be not withheld on our salary, being so, that we are liable to change place quite often, and consequently causing a lot of trouble to both the Department and ourselves: and this, uselessly to our point of view.

Would you be so kind as to take interest in this present matter in making inquiries for same, at once.

Dear Reverend Sister,-

Your letter of the 18th instant, addressed to Dr.B.Maurault, Indian Agent, Pierreville, Que., has been referred to me for attention and in reply I have to inform you that from the monthly salary of Sister Charles Ovide, from September 1, 1940, the following deductions were required to be made:-

5% for Retirement Fund	-	$3.50
2% for National Defence Tax	-	1.40 $4.90

With reference to the National Defence Tax, I may say that this is a tax, levied at the rate of 2% on all single persons whose income is over $600 per annum but does not exceed $1,200 a year. It is not applicable to Sister St. Cleophyre as her salary is not in excess of $600 per annum - only 5% of her salary, or $2.50 a month, is deducted for the Retirement Fund.

The Department has requested the return of 5% deducted from the salary of Sister Yves de Jesus during the months of May and June, 1940. When the cheque is received it will be addressed to the Rev.Sister at Odanak, Que.

It is regretted that we are unable to accede to your request that no further deductions be made for the Retirement Fund from the salaries of the teachers of St.Francis' Indian Day School. The Order-in-Council under the authority of which deductions are made, exempts only those employees whose work is of a casual nature or who give only part-time service.

Veuillez avoir l'obligeance de demander au Dépt. des Affaires Indiennes, notre salaire pour sept. au lieu de celui de décembre. Dear Sir:

I am in receipt of a letter from Reverend Sister M. Josephine requesting salary for the teachers of the St. Francis R.C. It would appear from this letter that the school has been in operation for September and it is intended to take the extra month's holidays in December. As you are aware, all Indian schools should be operated from October 1 to the end of the following June. No authority has been given to the teachers of the St. Francis R.C. War Savings Certificates.

I have for acknowledgment War Savings Certificate No. X20133697 for $25.00, registered in the name of Arthur Guy Bill Luke, enclosed with your letter of January 7th., 1943. This Certificate will be taken care of for the time being.

The motive of the Indians to invest in War Savings Certificates, Victory Bonds, etc., should be commended, but I am sorry to say we have not the proper facilities here for keeping such securities for Indians. Many Indians are in the position to look after their own securities just the same as the ordinary white person, but for those Indians who continually move from one place to another, I think it would be better to have their extra money deposited in the Indian Savings Accounts. This, as you know, is a good investment and the Treasury Office maintains a proper ledger account for each individual.

This information is given to you not for the purpose of discouraging in any way the War Effort by the Indians, but rather to have them look after their own War Savings Certificates.

RE: Pierreville Indian Agency

x x x

A local industry is giving work to a fair number of Indians, at a fair wage salary; some are also employed at war industires in Sorel, earning much higher salaries, however, due to the high cost of living accomodation in Sorel, or even bus travel between Pierreville and their work, those working locally are almost as well off, having no board nor travelling to pay.

It also appears very easy for some of our Indians to obtain liquor in Sorel, and bring it to the Reserve for consumption and some suspected sales over the week end.

Since we have no constable on the Pierreville Reserve, the monthly patrol made by the R.C.M.P. from Trois-Rivieres, is not sufficient to prevent the circulation of liquor on the Reserve, and unless drastic steps are taken, this matter will be getting worse and worse. The most efficient way to stop this would be to appoint a resident Indian constable who could act quickly. The fact that he lived on the Reserve would have some effect also, if it is only the fear to be caught with liquor.

The Sister Superior of our school has complained to the Agent that many children are allowed to stay out so late at night that they come to school next morning without doing their home work. If a local constable were appointed, he could very easily see that school children were home early at night and stayed there.

The services of patrols by the R.C.M.P. detachment from Trois-Rivieres, may be more efficient in summertime as they can reache Pierreville within a couple of hours, but in winter there is only one train a day each way. Besides, matters such as liquor are harder to deal with and take longer to follow up; the R.C.M.P. cannot stay here day after day waiting, owing to their limited staff and so much other work to do.

This suggestion of an Indian constable could at least be tried for one year, as the cost is low, and the curse of liquor is so detrimental to our Indians. The fact that they are

now earning a living, should be no reason to let the liquor circulate more freely on the Reserve; they surely could put that extra money in to something far more useful to their families.

A local Indian could well attend to that matter, Dr. B. Maurcault our Indian Agent is also of that opinion and thinks we could get a man for about $150.00 per year.

Ne mother is an Indian of the Reserve, and she has lived there for 9 years. The distance between the village of Pierreville and Odanak is quite great for the girl to attend school in winter time and I ask your permission to kindly send my daughter to Odanak Convent. I have seen the Superior and the latter is awaiting your orders to see the Indian Agent in this connection.

Dear Madam:

I have for acknowledgment your letter of September 4, in which you seek permission to enroll your daughter, 8 years old, at the Odanak Convent.

If you are an Indian of the Odanak Reserve and recognized as such, permission for your child to attend school can readily be secured from the Indian agent. If you are not an Indian, the education of your child is definitely a provincial responsibility and should be discussed with the school inspector for your district. The Dominion Government has neither the legal nor the constitutional authority to enroll white children at Indian schools. You might discuss the subject matter of this letter with the local school authorities.

Yours truly,

Hon. L.M. Mackenzie King,

Dear Sir,

Please pardon me if I take the liberty of writing you. I am very discouraged. My husband has been working in war factories - Sorel Industries - since four years and in May last we were unable to find a house at Sorel. We were forced to rent a place at Odanak, Indian Reservation. I have five school-age children and they cannot be accepted because they are not Indians. I live opposite the convent and I will be forced to send them to a school one mile away and will have to pay $12.50 per month for the five, which I cannot do. We are nine in the house and we pay the rent and my husband's transportation expenses. I cannot solve this problem. That is the reason for which I am writing you. The Reserve's convent comes under the jurisdiction of the Fed. government and you are the only one who can do something for me. As I know that you are very kind, I am positive that you will help me in placing the children in the Reserve's convent. We are proud of you and we do not regret the confidence which we placed in you in appointing you at the head of our beautiful Canada and we hope that you will be there for many years to come.

Once again please forgive me for writing you at a time when you have so much work to shoulder, but I wish so ardently that my children be educated ...

Dear Madam:

Your letter of September 4, addressed to the Prime Minister, has been passed on to this Branch for consideration and reply.

May I state that it is exceedingly difficult, if not impossible, to authorize the enrolment of children other than Indian children at an Indian day or residential school. The education of your children in the province of Quebec would appear to be a provincial responsibility and one that should be discussed with the school inspector for your district. The Dominion Government has no legal or constitutional authority to permit your children to attend the Indian school on the Odanak Reserve.

You state in your letter that there is a school one mile distant from your home and that a charge is made for instruction, in your case, at the rate of $12.50 per month. If you are a taxpayer in the district, it is difficult to understand why this charge should be imposed. H wever, this is a matter that lies wholly outside our jurisdiction and should be discussed with the local school authorities.

This is the second request we have received in one week from white citizens, asking permission for the enrolment of their children at the Odanak Indian Day School. You will readily understand that to grant these requests would establish a very dangerous precedent and one that would in all probability lead to endless administrative difficulties. You might show this letter to your school inspector.

Madame,

Votre lettre du 4 septembre, adressée au Premier ministre, nous a été transmise.

En réponse, je dois vous dire qu'il est extrêmement difficile, sinon impossible, d'autoriser l'admission à une école indienne de jour ou résidentielle d'autres que des enfants indiens. L'éducation de vos enfants dans la province de Québec semble être du ressort de la province et cette question devrait être discutée avec l'inspecteur d'écoles de votre région. Le Gouvernement du Dominion n'a aucune autorité légale ou constitutionnelle de permettre à vos enfants de suivre les cours à l'école indienne de la réserve d'Odanak.

Vous dites dans votre lettre qu'une école est située à un mille de votre demeure et qu'on demande dans votre cas une somme mensuelle de $12.50 pour les cours. Si vous êtes une contribuable de la région, il est difficile de comprendre comment on pourrait vous imposer ces frais. Quoi qu'il en soit, cette affaire est entièrement hors de notre juridiction et devrait être discutée avec les autorités scolaires locales.

C'est la deuxième demande de cette nature que nous recevons des blancs depuis une semaine demandant la permission d'admettre leurs enfants à l'école indienne de jour d'Odanak. Vous comprendrez facilement que si nous accédions à ces demandes nous établirions un précédent dangereux qui conduirait très probablement à des difficultés administratives interminables. Vous pourriez peut-être porter cette lettre à la connaissance de votre inspecteur d'écoles.

OCT 18 194

Dear Sir:

May I draw your attention to a fact which recently occurred in the Abenakis village of Odakak, Quebec.

Sister Marie Joséphine, who during forty-four years was a missionary with the Abénakis was recalled to her community.

As I was born close to this village, and still spend my summers there, I often receive the visit of these Indians whom I advise to the best of my knowledge, and I may add without any false modesty, that I have done much for them in many ways.

The Abenakis are under the impression that this nun, who has brought up and educated them, and made good christian citizens of them for the past forty-four years, has been recalled due to an order from the Department.

Their affection for this Reverend sister whom they consider as a mother is remarkable, and they are grieved at her dismissal.

I am enclosing copy of a petition signed by everyone of them, and which has been forwarded to the mother house of the Community of the Grey Nuns, at Ottawa, and which is self explanatory.

Should this come under your jurisdiction, would it not be possible to reconsider the matter and grant to these Indians that which they request urgently.

I am not writing as a lawyer, but as their friend, and I am confident in your sense of justice and your great desire to help Indians morally and materially.

Very truly yours,

Edmond Courchesne.

We, the undersigned members of the Abenakis Mission of Odanak, deeply regret the departure of our Sister Superior, Rev. M. Joséphine. We note the change since Sister St-Gaetan has already taken over the duties of Superior of the Convent. We abide by the decisions of the Council, and have no intention of interfering with the affairs of the Community, but we are very much interested in knowing the reasons which have motivated such a sudden change.

Rumour circulate here that the Indian Affairs Branch had something to do in the matter. It is said that Sister M. Joséphine was accused of having taken too much interest in our affairs, and criticized the acts of certain employees of the Department. It is quite easy to bring up an accusation, but care must be taken not to exagerate. Sister M. Joséphine has always looked after our interests, as a mother naturally takes an interest in the welfare of her children. This is only logical, and we can see nothing our of the ordinary in that.

If the Abenakis have deemed it their duty to protest against certain acts of the Indian Affairs Branch, Sister Josephine had nothing to do with it; she did not initiate any hostile movement, as it is claimed in certain quarters.

Useless to remind here the deep devotion and zeal displayed by Sister M. Joséphine during the forty-four years she spent among the Abenakis. The entire mission acknowledge her merit. Half a century of devotion to religous life is an entire existence.

The matter deserves consideration.

As a practical conclusion to this petition, we humbly but firmly seek the return of Sister M. Joséphine, as Superior at Odanak, as soon as possible. We consider that this request is more of a "claim" than a "favor" requested, since we already

received the definite promise of the Community that she would not be moved. Once again, we do not intend to dictate to the Community the decisions it should make, but when the details of this unfortunate incident are known to us, we shall be in a better position to discuss the matter.

Cher Monsieur,

Permettez-moi d'attirer votre attention sur un fait qui s'est produit dernièrement au village des Abénakis d'Odanak, Québec.

Soeur Marie Joséphine, qui fut durant quarante-quatre ans soeur missionnaire des Abénakis, a été rappelée à sa communauté.

Etant né tout près de ce village et y passant encore mes étés, je reçois souvent des visites de ces indiens que j'aide de mes conseils, au meilleur de ma connaissance, et je dois dire, sous peine de manquer à l'humilité, que j'ai beaucoup fait pour eux à tous points de vue.

Les Abénakis sont sous l'impression que cette soeur qui les a toujours instruits et éduqués, en a fait de bons citoyens chrétiens depuis quarante-quatre ans, a été rappelée par un ordre du département.

Leur attachement à cette révérende soeur qu'ils considèrent comme une mère, est extraordinaire, et ils sont très peinés de son renvoi.

Nous les soussignés, membres de la Mission Abénakise d'Odanak, déplorons amèrement le départ de notre supérieure, Soeur M. Joséphine. Nous constatons un changement comme fait accompli, puisque Soeur St-Gaetan assume déjà à Odanak la charge de Supérieure du Couvent. Nous respectons les décisions du chapitre, et nous n'avons nullement l'intention de nous immiscer dans la régie des affaires de la Communauté, mais nous serions très intéressés de connaître les raisons qui ont motivé un changement aussi subit.

Des rumeurs circulent ici que le Département Indien serait pour quelquechose dans cette affaire; On aurait accusé Soeur M. Joséphine de trop s'intéresser à nos questions en critiquant les actes de certains employés du département. Il est bien facile d'accuser mais il faut bien prendre garde à l'exagération. Soeur M. Joséphine, a toujours pris nos intérêts comme une mère s'intéresse tout naturellement au bien-être de ses enfants, c'est logique, et nous ne voyons rien d'anormal dans cela.

Si les Abénakis ont crû de leur devoir de protester contre certains actes du Département Indien, Soeur M. Joséphine, n'y est pour rien; elle n'est nullement l'instigatrice d'un mouvement hostile, comme certains le prétendent.

Inutile de rappeler ici tout le dévouement et le zèle que Soeur M. Joséphine a déployé durant les quarante-quatre années de son séjour au milieu des Abénakis; la mission toute entière reconnait ses mérites; un demi-siècle de dévouement dans la vie d'une religieuse, c'est toute une vie.

La chose mérite considération.

Comme conclusion pratique de cette requête, nous demandons humblement, mais avec instances, le retour de Soeur M. Joséphine, comme supérieure à Odanak, le plus tôt possible. Nous considérons que cette demande revêt plutôt le caractère de "réclamation" que de "faveur", puisque nous avons eu la promesse formelle de la Communauté, qu'elle ne serait pas déplacée. Encore une fois, il est bien entendu que nous n'avons nullement l'intention de dicter à la Communauté la ligne de conduite à suivre, mais quand nous connaitrons les détails de ce malheureux incident, nous serons plus en mesure de traiter de la question.

Avec considérations, nous avons l'honneur de nous dire,

Dear Mr. Courchesne:

I have for acknowledgment your letter of October 5 and also copy of a petition received by you from a group of the Abenakis Indians of Odanak, sent forward therewith.

I may state by way of comment that Indian day school teachers, whether they be members of a religions Order or lay teachers, retire under existing regulations at age 65. Sister Mary Josephine, having reached this age, a few years ago, was retired from our service in June, 1940. Sister Mary Josephine, however, although removed from our payroll at that time, appears to have remained on at the teacherage, acting in a kind of honorary capacity or as teacher emeritus. While I have no desire to be in any sense critical of Sister Josephine's action, I should state that her presence there, immediately following the appointment of her successor, led to a number of somewhat embarrassing situations, at least, so this Department was informed, and one can readily imagine how misunderstandings might arise with respect to the exercise of authority, discipline in the school and a number of other such matters. In any event, it would be a somewhat dangerous precedent if the Government permitted retired Indian day school teachers or retired civil servants to occupy buildings the use of which and accommodation in which has always been reserved for the members of the active staff. If this matter were fully explained to the Indians, I feel confident they would understand and fully appreciate the position taken by the Government. As a matter of actual fact, this is the first case that has ever been brought to my attention where an Indian day

Pierreville November 2/44

Dear Sir:

I have been informed to day that Paul Lamière, the son of Philéis Lamière, had two of his children, a boy and a girl, following the class in the St. Francis school. They have begun about two weeks ago.

I have communicated with the Sister Superior and she confirmed the fact.

That Paul Lamière is of indian extraction but not of abenaqui band. He told to the Sister Superior he was indian and his children had right to go to this school. The sister, not knowing him, believed him and took the children. I doubt that man has right to send his children to St. Francis school because I think those Lamières are emancipated.

I'd like to receive information regarding that case.

Yours very truly,

Le Michel Piteault

Ottawa, June 23, 1945.

Dear Sister St. Rene:

In a report on his inspection of the St. Francis R.C. School on the 5th of June, Inspector Parent writes as follows regarding Grade 7:-

"Cependant, les eleves de la 7 annee m'ont paru un peu faibles sur les principales branches du programme."

It is very disappointing for the Department to receive this report. Only 16 children are enrolled and the number present on the day of inspection was 10. It appears to us that in view of the small class there should be no difficulty in covering the year's work very completely.

May I point out that the total enrolment, as shown by the Inspector's report, is 43, and we are allowing salary for three teachers. I think you will agree that the number enrolled is very small for three teachers. As a matter of fact, we have many schools in which one teacher is handling 43 children. In view of the condition existing at the St. Francis R.C. School, it would appear that the pupils should receive very thorough and careful training.

Last May we wrote to the former agent, expressing a wish to have more vocational work done with the boys. The late Dr. Maurault did not reply to that letter, but presumably he discussed the matter with you.

I would appreciate it very much if you would discuss the whole situation with the Sister

Pierreville, August 18th, 1945.

Dear Sir:

Euclide Salvas awhite, married to an Indian girl and living on the Reserve since five years, asks if his daughter could attend the St-Francis R.C. School. The girl is nine years old.

He says last year he tried to send his daughter to the Pierreville village school and he has been refused: the sch ool was full probably. This year he tried at St-Francois-du-Lac and the house is full too. So he would be very grateful if his girl could attend the Odanak school. He is willing to pay $5.00 a month.

Actually I beleive this girl is the only one among the white, on the Reserve, in age to go school.

Dear Sir:

I have received your letter dated January 3rd in connection with Sister St Rene's retirement fund.

I understand that a monthly deduction is made on the teachers' salary to form the Retirement Fund. This deduction varies according to the salary and is paid back upon the teacher's retirement.

You will find by Stub No S 001443 which I enclose that a sum of $ 3.50 was deducted monthly on Sister St Rene's salary. I believe that this amount was affected to the Retirement Fund. Therefore why should there not be a refund?

Would you please verify and advise me accordingly.

QUEBEC

St-François, le 29 août 1946.

Monsieur le Président,

Sans doute vous êtes au courant de l'épidémie de Poliomyélite (paralysie infantile) qui sévit dans toute la province et aussi dans notre comté.

Présentement les cas dépistés et déclarés ne diminuent pas et à date nous en avons trouvé près de 22.

Etant donné que le temps le plus dangereux est du 15 août au 15 septembre. Je vous conseille fortement, Monsieur le Président, de bien vouloir retarder l'entrée des classes au lundi le 16 septembre.

Plusieurs commissions reçoivent des élèves de l'extérieur ce qui pourrait augmenter le nombre des malades.

Si malgré le retardement dans l'ouverture des classes, il se découvre d'autres cas, personne n'aura de reproche à se faire.

La maladie est si grave et les suites si pénibles et tristes qu'il vaut la peine de prendre toutes les précautions nécessaires.

Vous remerciant de votre bonne coopération, je vous prie de croire à mon entier dévouement.

PIERREVILLE, Nov. 7, 1946.

Lucien Dubois, Esq., M.P.,
Gentilly.

Dear Sir,

You have been very kind, as ever, to accept taking up the case of the children of my nephew, Gilbert Ali. Mr. Ali lives, since a week, in the Odanak Indian Reservation, right near the Indian School, and his children do not have the right to attend that school. They are unable to come to Pierreville on account of the distance and particularly because the Winter roads are practically not kept in the village of Odanak. Mr. Ali has not been able to find a place to rent in Pierreville and, if the Department of Indian Affairs refused to grant this permission, the children would be deprived of attending school this year.

Furthermore, I wish to point out that I am a distinguished benefactor of the Odanak Indian School. My sister who belongs to the Order of the Grey Nuns of the Cross, is a foundress of the school, and I gave much money to organize that school which had a humble beginning 50 years ago. It seems to me that the signal services which I rendered, since 50 years, to the Odanak school should dispose the authorities of the Dept. of Indian Affairs to grant the privilege which is requested.

Furthermore, Mr. Gilbert Ali is a veteran of the last war; he served two years in the Army.

Those are additional reasons which I could not give you over the telephone.

I am assured in advance, Sir, that with the help of a lawyer like yourself who always wins his cases with the government, my little nieces will soon be able to attend school. I am ready to pay the school charges for those children.

Respectfully yours,

Milton Rousseau,

Dear Mr. Dubois:

I have for answer your letter of November 17 with attached letter of November 7.

There are several places in Canada where white children have received authority to attend our Indian schools under circumstances similar to those pointed out in Mr. Rousseau's letter. This permission depends entirely on the accommodation available at the school concerned. The records of the Indian Affairs Branch show 40 children registered on the rolls of this school.

Therefore it will be necessary to refer this matter to the Indian Agent at Pierreville for his recommendation. As soon as an answer is received, I will advise you further.

Cher monsieur Dubois,

On m'a prié de répondre à votre lettre du 17 novembre, à laquelle était jointe une lettre du 7 novembre.

Il existe plusieurs endroits au pays où les enfants des Blancs sont autorisés à fréquenter les écoles Indiennes parce que la situation où ils se trouvent est identique à celle mentionnée dans la lettre de M. Rousseau. Cette autorisation n'est accordée que là où il y a suffisamment d'espace pour loger les élèves. Les dossiers de la Division des affaires Indiennes indiquent que quarante enfants fréquentent cette école.

Il sera donc nécessaire de référer cette question à l'Agent des Indiens à Pierreville pour qu'il nous fasse ses recommandations. Dès que nous les aurons reçues nous vous écrirons de nouveau.

Sierreville, December 7, 1946.

Dear Sir;

Attendance of White children at Odanak Indian Day School

Answering your letter of the 28th of November 1946, I have secured information in regard to the admission of Mr Gilbert Ally's children in the above Indian school.

The Principal assures me there is room for these children and that she is ready to accept them. They are four of them: two boys 12 and 10 and two girls 13 and 8 years of age.

Personally I have no objection to the acceptance of these pupils in the Indian school, even though it may arise some protestation in the part of the white living on the Reserve, especially from those married to Indian girls to whom this favour has been refused these last years.

Will these children be accepted like Indian pupils or if they will have to pay? If so I would like to know the amount and who is going to collect.

Attendance of White Children at

We have for answer your letter of December 7 concerning the above problem. The point you raise in paragraph 3 of this letter is one which will have to be further investigated.

The Department would like to ascertain the following facts:-

1. How many Whites are living on the Reserve with permission?

2. How many children are there of school age in this category who would wish to attend the Odanak School if permission were given?

3. Is there sufficient room in the school to accommodate these children?

4. How many Whites are living on the Reserve without permission?

5. How many children of school age in this category would wish to attend the Odanak School if permission were given?

If such authority is given, the Department will assess a small tuition fee for each child in order to assist in the maintenance and repair of the school and its equipment.

Dear Sir:

Re: Attendance of White Children
at Udanak Indian Day School.

I am answering your letter of December 18th concerning the white families living on the Indian Reserve of Udanak. To my knowledge none of these whites has permission to live there.

Eighteen children of school age(6 to 16) are on the Reserve. I have called the principal of the school to know if there was room in the school for such an additional number of pupils. The answer is No. Last fall we have installed a domestic science class in one of the class-rooms; this leaves only two rooms for the pupils. This is sufficient for the actual number of children. In the present circumstances the principal and I do not beleive we could accommodate more than seven or eight more children.

It would be perfectly just and fair to assess a tuition fee for each child if permission is granted. This would be certainly accepted, for every one who came here seeking favour to send their children to the indian school, were willing to pay.

Attached is a list of the Whites living on the Reserve with their age, names and children's age.

Yours truly,

Dr Michel Tetreault
