Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page Mise en garde – terminologie historique de BAC.

-- Copy --

(Original on 69-1-1.)

Ottawa, April 1, 1933.

Rev. Sir:

I have your letter of the 28th ultimo, addressed to Mr. Sutherland of this Department, regarding the appointment of teachers for the Indian summer schools at Manouan, Weymontaching and Obedjiwan.

It is noted that you have re-engaged the same teachers as were employed at these schools last summer, and the Department will approve of their re-engagement, as follows:

Manouan:

Miss Ursule Bordeleau ... Teacher,
Miss Philomene Drolet ... Asst. Teacher & Matron.

Weymontaching:

Miss Beatrice Foy ... Teacher,
Miss Wilhelmine ... Asst. Teacher & Matron.

Obedjiwan:

Miss Germaine Cote ... Teacher,
Miss Juliette Lafrance .. Asst. Teacher & Matron.

Salary at the rate of $90 per teaching month will be allowed to the teacher in charge and $65 per month to the assistant teacher and matron, less 10 percent, in each case, during the summer months of 1933.

The teacher at each school should prepare the usual returns showing attendance, days' taught, etc., stating thereon their post office addresses, and forward same to the Department at the end of each month, in order that payment of salary due can be made. The assistant teacher and matron should also prepare a brief statement shewing the work performed each month. On the first returns forwarded, the teachers should state definitely the date on which they began duties, and when submitting the final returns they should also state the date upon which the school closed. These summer schools should reopen on the first of June, next, and remain in operation until the end of September, following. I would request that you advise the teachers accordingly and arrange with them to commence duties on or about the date mentioned.

It is hoped that there will be a regular attendance of the Indian children and that the teachers will meet with success in the work.

Your obedient servant,

A. F. MacKenzie,
Secretary.

Dear Madam:

Please be advised that the Department has not yet received your Day School Return for the period the Weymontaching Indian Day School was in operation during the month of June. We are, however, forwarding to you and to Miss Bruyere your salary cheques for the month of June.

It is not the practice of the Department to forward salary cheques to teachers of seasonal schools before their returns have been received and, in future, I would ask you to forward your Day School Return promptly at the end of each month. By doing so, you will enable us to pay your monthly salary without unnecessary delay.

Yours truly,

Philip Phelan,
Chief, Training Division.

Re : Weymontachie Indian Summer Day School

I received the attached letter from Miss. Marie Marthe Roberge, Teacher at Weymontachie, together with Miss. Trepanier.

The Annual Visit, on this Reserve was arranged for, delayed, re-arranged and delayed again for reasons over which the Teachers or myself had no control, considering I asked them if they would be willing to stay on Reserve until such time I could visit them, they put in each two days extra, at the time they demanded if they would be paid for these extra two days, I told them they would providing they definitely showed on their returns that the school was actually closed on a certain date.

Both teachers during these days, assisted visiting the houses, we went over also various details with them and so on.

They are claiming two days each extra, considering they were actually worked for, I recommend that the claim be paid.
