Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. Pour en savoir plus, visitez la page Mise en garde – terminologie historique de BAC.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL

The undersigned has the honour to report:

THAT it is immediately necessary, and funds are provided in the 1948-49 estimates, Indian Affairs Branch, Mines and Resources, to provide a one-room Indian day school with attached teacher's residence on the North Thompson Indian Reserve, Kamloops Indian Agency, in the Province of British Columbia;

THAT it is essential that educational facilities be provided for the Indian children on the North Thompson Indian Reserve;

THAT Section 36 of the Public Works Act, Chapter 166, R.S.C. 1927, provides in part as follows:-

"Whenever any works are to be executed under the direction of any Department of the Government the Minister having charge of such Department shall invite tenders by public advertisement for the execution of such works except in cases (a) of pressing emergency in which delay would be injurious to the public interest . . . . .";

THAT, due to the very isolated situation of this reserve, there are no builders or contractors in the area nor are outside contractors interested in tenders if invited as aforesaid, as they have all the work they can do in their own localities;

THAT a competent building company, namely Prefabricated Structures, Limited, Post Office Box 489, Vancouver, British Columbia, has agreed to undertake the provision of a prefabricated school with attached teacher's residence immediately on a basis of $5,850.00 f.o.b. Vancouver, plus freight and erection supervisor's wages, fare and expenses.

THAT it is considered that the provision of this school is a pressing emergency and within the exception provided in Section 36 above recited and further, it is considered that the work can be more expeditiously and economically executed as suggested herein.

The undersigned, therefore, recommends that authority be granted for the provision of this building as outlined above, this being the only arrangement possible at the present time and it being essential that this work be undertaken at once and carried to completion in order that the building will be available for use by the time the next school term commences.

Respectfully submitted,

Acting Minister of Mines and Resources.
