Historical language advisory

Certain parts of the Library and Archives Canada (LAC) collection contain historical language and content that some may consider offensive, for example, language used to refer to racial, ethnic and cultural groups. Items in the collection, their content and their descriptions reflect the time period when they were created and the view of their creator. The items retain their original descriptions to ensure that attitudes and viewpoints are not erased from the historical record. LAC provides additional descriptive information to give background on the records. This is an ongoing process. For more information, please visit LAC's Historical language advisory page.

Mise en garde – terminologie historique

Certaines parties de la collection de Bibliothèque et Archives Canada (BAC) renferment de la terminologie et des contenus à caractère historique que certains pourraient considérer comme offensants, notamment au chapitre du langage utilisé pour désigner des groupes raciaux, ethniques et culturels. Les éléments qui composent la collection, leurs contenus et leurs descriptions sont le reflet des époques au cours desquelles ils ont été créés et des points de vue de leurs créateurs. Les descriptions d'origine sont conservées afin que ces attitudes et perspectives ne soient pas supprimées des sources historiques. BAC fournit toutefois des renseignements descriptifs supplémentaires dans le but de donner davantage de contexte aux documents, le tout dans le cadre d'un processus évolutif. the residents there, both white and native.

I have said to you before that there are three things which I am anxious to have in a teacher of our Indians. I have their well being at heart perhaps more than anyone in this whole area. I feel the first necessity is;- (a) A belief in God and His Son Jesus Christ as the Saviour of the world and to know how to teach both adults and children these fundamental truths. (b) He should set a good example in life, honest, moral, clean in person and industrious. (c) Be capable of teaching the ordinary things which all should know to-day if they are going to get the most out of life.

I fear an Inspector is likely to look only for the last. In the case of Mr. Burling I am satisfied that he fills the three ideals above.

I very sincerely hope that you will reconsider this Hazelton matter and let me hear that Mr. Burling will be continued on as teacher at Hazelton.

With the Season's greetings,

Yours faithfully,

Dear Mr. Hoey:-

The greatest surprise in my life came from the reports of Dr. Barry. His adverse reports generally deal with those whom I have every reason to believe are among the very best of our teachers of natives. Certainly I would have looked far afield before I could have obtained one so well qualified for the position as Mr. Burling of Hazelton. He is a gentleman in every respect, by both breeding and education, a qualified teacher with a successful career behind him. Mr. Barryhas, perhaps of necssity, the habit of visiting the schools in this area just after they get started in the Fall and before nearly all the natives have returned from their fishing. Consequently he often finds the attendance small, and the children not yet settled down to work.

As to attendance, the actual figure for the average attendance for the fall term of 1937 was 33.86 and in 1938 it was 35.78. A few children having reached the age of sixteen years or over, were taken out of school as they were needed at home, and one school girl of 17 was married. So the charge of a decrease in attendance does not hold. In fact, if certain children had not gone trapping with their parents there would have been an increase over 1937.

We have never had a teacher at Hazelton who has done better work or has been held in higher esteem than Mr. Burling, who is splendidly backed by Mrs. Burling.

When Capt. Barry visited Hazelton he was suffering from a heavy cold. The weather was bad and his report, I am sure, was seriously affected by these facts.

Then again it appears that the Indian Agent, Capt. Mortimer, would like to see Mr. Burling removed. In connection with this I venture to affirm that the Agent entirely misunderstands the conditions upon which he bases his opinion. This, I am convinced, would be agreed to by the great majority of

Right Reverend Sir:

I have received your letter of the 29th ultimo with reference to Mr. Burling, the present teacher of the Hazelton Indian day school. Before making the decision conveyed to you in my letter of the 8th ultimo very careful consideration had been given to the reports which had reached us.

In addition to Inspector Barry's report in which he definitely stated that Mr. Burling's work was unsatisfactory the Indian Agent has expressed the opinion that for some reason or other Mr. Burling does not possess the confidence of the Indians and as a result the Indian parents feel that their children are wasting their time in school.

Taking everything into consideration it is felt that the retention of Mr. Burling's services after the end of June next would not be fair either to the Departmental interests on the Hazelton Reserve or to Mr. Burling himself. I, therefore, trust that you will nominate a qualified teacher to replace Mr. Burling for the academic year 1939-40.

Natives Urge Missionary Be Retained

HAZELTON, Jan. 28:—A meeting of members of the Church Army called to discuss the possibility of Rev. Frank Burling being forced to leave because of reports received from the Inspector of Indian Schools and the Indian Agent. Mr. Burling was present and explained the situation. Leaders among the natives spoke, extolling the work of the teacher and declaring that the children had attended well and had made rapid advances in their work under him.

It is understood that the matter is being taken up further with the authorities with a view to have Mr. Burling remain.

February 1st, 1939.

Dear Sir,-

re - Hazelton Indian Day School Teacher.

I am enclosing the "Daily News" of Prince Rupert, B.C. dated January 28th, 1939, in which an article appears presumably written by the Rev. Frank Burling, teacher of the Indian Day School at Hazelton.

Apparently Mr. Burling received a letter from the Rt. Rev. Bishop Rix informing him of the nature of School Inspector Barry's report on his school recommending his removal. No doubt this raised the ire of Mr. Burling who informed the Indians attending a Church Army meeting of the contents of that letter, resulting in a lot of discontent amongst the Indians of the Hazelton Band.

If Mr. Burling submitted this article to the Paper for publication, may I suggest he be severely censured for his action.

Yours faithfully,

Dear Sir:

I beg to forward herewith a copy of a letter received from Capt. Mortimer together with a clipping from the Prince Rupert "Daily News", which may have been inspired by Mr. Burling, for the information of the Department.

The Department will recall that Inspector Barry in his report covering his inspection of the Hazelton Indian Day School on October 13th, last, recommended that Mr. Burling be replaced by a properly qualified teacher as from September, 1939. This recommendation was concurred in by me and was approved by the Department. The Department notified Capt. Mortimer on December 8th, file 151-9-1, that it had been decided to make a change in the teaching services at the Hazelton Indian Day School for the academic year 1939-40 and that Rt. Rev. G.A. Re - Hazelton Indian Day School Teacher

Dear Sir:

I have for acknowledgment your letter of the 6th instant and also copy of a letter received by you from Indian Agent Mortimer, enclosed therewith.

It has occurred to us that it would be exceedingly difficult, if not impossible, to prove that Mr. Burling submitted the article to which Mr. Mortimer refers to the Press for publication. Our experience has been that the Press steadfastly refuse to divulge the source from which such information is secured. However, if you consider it advisable, you might communicate with Mr. Burling and point out to him the inadvisability of either organizing indignation meetings on the one hand or giving publicity to such meetings on the other. The better way perhaps would be to have Inspector Barry discuss the matter with Bishop Rix.

My dear Mr. Hoey:-

After I received your last letter re the Hazelton School I determined I would say no more about it. But recently there are developments there which urge me to again write you.

When the natives heard that there was the probability of Mr. Burling being removed, they were up in arms and held indignation meetings. They had two meetings, at the second of which they passed unanimously resolutions declaring their entire satisfaction with Mr. Burling as a teacher and citizen.

I got to know of this through the Editor of a Prince Rupert paper to whom they had sent a long communication signed by the Chief native of Hazelton. It contained a great deal of adverse criticism of the Indian Agent, going back over several years, which I advised the Editor not to publish as it was extremely personal and most of it out of date. However, he did publish the enclosed, which will show you that some of the things of which you were informed were not accurate. When you read this I hope you will reconsider the dismissal of Mr. Burling, of whom I can confidently say he is an outstanding teacher and an altogether good man.

The meetings held by the natives and the resolutions passed, I had nothing to do with. They were of their own volition.

My dear Bishop Rix:

I have for acknowledgment Your Lordship's letter of the 13th instant and also newspaper clipping relating to conditions at the Hazelton Indian Day School, enclosed therewith.

In the newspaper clipping it is stated that the children have attended well and made rapid progress, while on the other hand in the Inspector's report it is stated that the attendance has been most irregular and that the teacher himself attributes his non-success to this fact. You can readily appreciate, therefore, how difficult it is to reach a decision here that will be fair and equitable to the parties concerned. The monthly attendance returns have not been sent in regularly by this particular teacher. In the month of June last year, with an enrolment of 48 pupils, the average attendance was 19; in March 23; and in December 35.

I am asking Major MacKay, Indian Commissioner for British Columbia, to review conditions at Hazelton again and to let me have a definite recommendation. Just as soon as I hear from the Commissioner I shall be glad to communicate with you again.

Dear Sir:-

After much deliberation I have decided to write in protest against the reports of Inspector Barry & Mr Mortimer the Indian Agent,- on my work and influence among the natives of Hazelton.

In the two previous terms, school work was seriously handicapped by epidemics - Influenza, Measles & Whooping Cough. The last continued all August. also among white children in town.

When the Inspector visited, many of those present had only just returned after three months absence; & coupled with the broken attendance of preceding terms, the backwardness of pupils was not to be wondered at.

My methods of teaching over a long period of years have invariably met with success. Since returning to Canada after the war, I have had charge of schools ranging from rural (one-roomed), to town high schools. I have taught various nationalities; & amongst the non-English, my methods have increased the attendance threefold.

When here, the Inspector took the beginners' class in reading,

but only succeeded in frightening them into speechlessness. He then resorted to calling older brothers or sisters from other classes to stand with them. Were I to adopt such methods, the work of the school would be disorganized.

I object strongly to the sarcastic asides in which he indulges, such tactics are subversive to school discipline. Other teachers have spoken to me on this matter.

Shortly after his visit an outside teacher called. He complimented me on the appearance of the school, and the quality of pupils' work shown round the walls. I do not give his name for obvious reasons.

Inspector Barry said he had not seen the Agent, but during the afternoon he charged me with excluding pupils of fifteen years. This I strongly repudiated, & asked the name of his informant. It was the Agent. He also hinted that the Agent & I were not on good terms. This was astounding to me, as I have not had more than three conversations with the Agent since my arrival in Sept/37.

From the registers of past years it appears that this school has had frequent changes of teachers; surely something must be wrong when there is no continuity of tenure, & it is certain that no school can make progress under such conditions.

Regarding the Agent's report, I can state most emphatically that his criticism is entirely erroneous. The attitude of the natives is most friendly & the Native Brotherhood is solid on my behalf. It is the Agent who has not the respect of the natives.

Please pardon this somewhat lengthy letter but I feel sure you will allow me to state my case.

Believe me.

Yours faithfully.

You can readily appreciate how difficult it is for the officials here to reach a decision, in view of the many conflicting reports that have come to us. In the Indian service it is almost inevitable that we should in these matters be guided from time to time by the reports and the recommendations of our own officials. Dear Mr. Hoey: Re Your File 151-9-1.

On receipt of your letter of February 18th, conditions existing at the Hazelton Indian Day School, with particular reference to the retention of Mr. Burling's services as teacher, were again reviewed with Inspector Barry. It is considered that nothing would be gained by inspecting the school again until November of this year or April of the coming year. It would not be a good move to transfer Mr. Burling to another school in this Province. If this teacher is to continue in the service of the Department it is felt he should do so at Hazelton and be given an opportunity until the school is again inspected to improve the standing of the various grades and follow the instructions given by the Inspector. This arrangement meets with the approval of Capt. Barry and in view of all the circumstances involved, might be acceptable to the Department. No doubt the Department will advise Capt. Mortimer and the Rt. Rev. Bishop Rix in due course of the decision made.

March 1, 1939.

Dear Major MacKay:-

I have read Departmental letter 151-9-1 dated February 18th 1939 with regard to the conditions existing at the Hazelton Indian Day School.

My report on this school dated October 16th 1938 sets out the conditions in considerable detail. It is not possible for me to visit this school again during the present academic year without great interference in the inspection work of schools not as yet visited. Further as I have little hope that there has been any great improvement at Hazelton, I believe that it is in the interests of the Department that I refrain from visiting that school till such time as I must carry out an inspection in the academic year 1939-40, probably either in October 1939 or April 1940.

May I say that without in any way withdrawing anything I may have reported in a professional way with regard to the school or Mr Burling's work, I particularly wish to cooperate with Mr Hoey and Mr Phelan in the general administration policy. If it is felt by the Department that for various reasons it would be better to give way to the Anglican Bishop and retain Mr Burling as teacher for <u>one more year</u> I am perfectly willing to refrain from making any observation which might embarrass the Department. In all such cases my wish is that the Superintendent of Welfare and Training should know the exact conditions that exist. and in this case I am perfectly certain that the poor conditions at Hazelton are perfectly well understood. The people that object to the removal of Mr Burling are only a very small percentage of the Indians, and outside the Indian Agent's reports and my own there is nothing to show that the Catholic and Salvation Army children outnumber the Anglican in Hazelton.

May I suggest that Mr Burling be informed that if permitted to remain another year at Hazelton he simply must follow the instructions given to him by the Inspector of Indian Schools and improve the standing of the various Grades in his school. I believe that he should be further informed that the Department does not approve of meetings of protest in regard to criticsm of policy or officials, and that his further retention will depent entirely on the reports received from the Indian Agent and Inspector of Schools.

Several reasons prompt me to give this advice. In particular it may not be possible to erect a new two room Indian Day School at Hazelton during the 1939-40 fiscal year. Should such a school be erected it is to be hoped that it will not be placed under Anglican auspices, but I quite realize that the present may not be a very suitable time to make a general decision with regard to the future policy in respect to the possible non employment of Missionaries as teachers in our schools.

In conclusion may I again say that I am only anxious that the real facts should be known in Ottawa. Mr Hoey may rest assured that I have no intention of making any report that might prove embarrassing.

Ottawa, March 25, 1939.

Dear Sir:

May I refer to a letter received by the Department from you, dated February 7, 1939. This letter, together with a communication received from His Lordship Bishop Rix and dated February 13, was sent forward to Major MacKay, Indian Commissioner, British Columbia, for any comments he might care to offer.

When I sent forward these letters to the Commissioner, it was my hope that he would be in a position to have Inspector Barry make a special inspection of the Hazelton school and again report to the Department on your work.

Major MacKay informs me that it is not possible for Inspector Barry to visit Hazelton at this time without great interference in the inspection work of a number of schools not yet visited by the Inspector this year. In view of this fact, you may continue in charge of the Hazelton School, if you so desire, during the academic year 1939-40. If you decide to remain, however, it must be on the distinct understanding that you are willing to follow the instructions given you from time to time by the Inspector of Indian Schools and that, in addition to this, you are prepared to put forth a determined effort to improve the standing of the various grades in your school. May I state, also, that the Department does not approve of meetings of protest by Indians, at which meetings the policy of the Department and departmental officials is usually criticised and criticized unfairly. I am aware, of course, that it may not be within your power to prevent such meetings. I am simply emphasizing the point that you should not be associated in any way with such gatherings.

Inspector Barry will visit Hazelton and inspect your work early in the new academic year. When his report covering the inspection of your school at that time reaches the Department, a definite decision will be reached with respect to the continuance of your services at the Hazelton school.

Yours truly,

R. A. Hoey,
Supt. of Welfare & Training.

Dear Sir,-

re - Rev. Frank Burling, Teacher, Hazelton Indian Day School.

In accordance with the wishes of Mr. R. A. Hoey, as per his letter of December 8th, 1938, I called the Rev. Frank Burling to this office last week - being the Easter vacation - and informed him that his services as the teacher of the Hazelton Indian Day School would terminate on June 30th next.

Much to my surprise Mr. Burling advised me that he had received a letter from Mr. Hoey, dated March 25th last, stating that Mr. Burling might continue as teacher of this school during the academic year 1939-1940 if he so wished.

Having received no information regarding this subject since Mr. Hoey's letter of 8th December, I should be glad to receive confirmation of Mr. Burling's statement.

Dear Sir:-

With reference to your letter of 25th, ult:, please allow me to express my appreciation of the courteous consideration extended to me.

May I say that I made no move in my own defence, & only after urgent requests to explain matters did I make any contact with the Indians. The Natives of all denominations have told me, not once, but many times, that their children have made more progress under my tuition than ever before.

After spending much of the winter in pole camps, or out on the trapping grounds, many children are now returning to school.

the children quickly observe & absorb the worst traits of the mean whites & half breeds of the village.

They are out at cafés & in the streets up to the early morning hours.

When I came four years ago there were four mounted police here & the natives were not allowed these licenses. Now there have been but one, until recently & he was unable to do this checking up.

I have very frequently made a tour of the village at 11 or 12 p. m. & sent home & chased children from cafés.

This of course may be the case of other native licenses in close proximity to a white village. But on all hands these conditions are considered worse than in any other locality.

Dear Sir.

After nearly four years in close contact with these Indians, a period nearly twice as long as that of other teachers for many years past, I may have gained a greater insight into their ways & characteristics than others, so perhaps you will pardon my presumption in making an extra remark or two.

Viz. The Parents will not train their children at home, this is especially the case with the boys. From their earliest years they are utterly undisciplined & allowed to do as they like, literally. Being in close touch with the white village

Dear Major MacKay:-

With reference to letter from Bishop Rix dated June 22nd, I am not able to deal with this letter as I do not know just what has happened lately with reference to the northern schools.

I would ask, therefore, before you prepare a reply to the Bishop or a letter to the Department covering the nominations, to refer to Mr. Kinley's file. He was formerly teacher of the Gitlakdamix Indian Day School. I think you will find that the Department decided Mr. Kinley was not to be appointed as a teacher of any Indian Day School. He is not a trained teacher as you know, and was, in my opinion, a complete failure at Gitlakdamix, from which position the Department eventually removed him.

Reverend B. Sherman is now really too old for teaching work. I am not certain of his exact age but believe it to be about sixty-five. It is mentioned in my reports on the Kitkatla school. Should Mr. Sherman desire to go to Metlakatla, he would, I think, be quite a success there, at least for a year or two.

In general, I would not recommend for the coming academic year the appointment of any teacher who did not hold a professional certificate of some sort given as the result of normal school training.

With reference to the second last paragraph of Bishop Rix's letter, I may say that I am not aware of the circumstances leading up to the removal of the teacher from the Metlakatla Indian Day School. I do not, however, recommend the appointment of a teacher in an Indian Day School who has already been removed by the Department from a similar position in another school

With reference to the last paragraph of Bishop Rix's letter, it would appear to me that the salaries at present paid by the Department for teachers holding first-class provincial

Dear Sir:

Some time ago the Rt. Rev. G. Rix, D.D., Bishop of Caledonia, stated that he had difficulty in finding qualified teachers for vacant positions in Indian Day Schools in the Diocese of Caledonia. Bishop Rix asked me to recommend to the Department teachers to fill the vacancies in his diocese provided that I was satisfied with their qualifications and that they were Protestant.

Miss Isabel Margaret Faithfull, aged fifty-seven, a communicant member of the Anglican Church, at present living at 4819 Lanark Street, Vancouver, B.C., has today visited this office. Miss Faithful was trained at the Saskatoon Normal School and holds a Second Class Alberta Certificate. She taught in Provincial schools in that Province for some ten years and later in Indian schools for over eleven years. During this time she has been eight years at Little Pine Indian Day School, Battleford Agency, and three years at Shoal Lake Indian Day School, Pas Agency.

Inspector Barry informs me that he considers Miss Faithfull's recommendations as received from Provincial inspectors very good indeed and he considers that she would be quite successful as teacher of the Hazelton Indian Day School which is,

Dear Sir:

Replying to your letter of the 4th instant, your file 151-9-1, with reference to letter received by you from Abel Oakes regarding the appointment of a teacher for the Hazelton Indian Day School, I would advise that I am informed by Mr. Indian Agent Mallinson that Mr. Oakes is an Indian of the Hazelton Band and a member of the Salvation Army. He also states that children of school age at Hazelton amount to fifty-one, made up of thirty-five Anglicans, fourteen Salvation Army and two Roman Catholics. In view of this Mr. Mallinson suggests that if the Anglican Church is unable to nominate a teacher at this time, the Department should appoint a qualified person to take charge of the school which presumably would be undenominational, under such circumstances.

Yours faithfully,

James Cameron

Dear Sir:

In forwarding his annual report for the fiscal year ended March 31, 1941, Mr. Burling, teacher of the Hazelton Day School, advises that he is having considerable difficulty due to the fact that the Indian parents apparently have no control over their children and as a consequence the latter visit the town at all hours of the day and night.

For your information I attach a copy of a letter which we are sending to Mr. Burling but I feel that in addition to the suggestions contained in this letter it should be possible for you to take some action to prevent Indian children visiting the town at unseasonable hours.

Reverend Sir:

With reference to your letter of the 7th instant I note your remarks regarding the conduct of the Indian children.

Before writing to the Agent in regard to this matter it has occurred to me that the possible solution would be for the Church to provide wholesome entertainment for these children. This would likely prevent them from visiting the cafes and keep them off the streets. Our experience in dealing with Indians shows that a mere negative attitude does not obtain the desired results.

Yours truly,

Dear Major MacKay:-

I have written to Miss Jenner asking if she will take charge of the Indian School at Hazelton. If I have a favourable answer from her I will at once notify you.

I am sorry that Mrs. Henderson has left Aiyansh. In case no one else turns up for this school we should fall back on Mr. Kinley, who did at least passable work there in the Fall.

I have informed mr. Shearman of Kitkatla that I would recommend him for Metlakatla. He has decided that he cannot carry on the heavy school at Kitkatla. I understand the Metlakatla school is much lighter. I herewith recommend this change. This leaves Kitkatla, Greenville and Kitwancool definitely vacant. I am writing to a man to-day who might take Kitkatla. I am not sure if he has teachers' qualifications, but in these days we cannot afford to be too particular.

I regret that the teacher from Metlakatla was removed. She was well liked by the people and the pupils, but the Indian Agent found her lacking in discipline. If you could get in touch with her she might consider working in some other of our schools and from the first insist upon discipline.

I feel that if the Department does not make the Indian teachers prospect more attractive they will not be able to fill the schools.

yours faithfully,

re- Hazelton Indian Day School Your File 215-1-5051

Replying to your letter of June 22, I wish to advise that the attendance at this school has been very irregular mainly due to sickness, there having been epidemics of 'flu, mumps and measles during the year. However, some pupils have attended irregularly due to their families having moved away for indefinite periods on account of employment. For example, several families proceed to the canneries early in May to fish for spring salmon. Employment in war industries etc. has claimed others, whilst some trappers take the family with them.

The school building, owned by the Anglican Church, is just the same as it has been for a long period of years and, no doubt, would have been vacated in favour of a new school but for the war.

Sports days have been held in about every village sometime in May for years, and it is the practice of the teachers to mark the registers and dismiss the children on such occasions. Probably, in this case, no children attended on the afternoon in question. Children from other reserves attend with their parents, taking the whole day off.

I do not think the Rev. Frank Burling enjoys good enough health to carry on as a teacher. He informed me last fall that he only accepted the position to accomodate Bishop Rix.

Dear Sir:

I enclose herewith letter received from Bishop Rix advising of the nomination of Miss Jenner, who has resigned as teacher of the Indian Day School at Kitwancool, to the Indian Day School at Hazelton. If Miss Jenner accepts the nomination the Department will be advised further.

Regarding the proposal to nominate the Reverend Kinley as teacher at Gitlakdamix in place of Mrs. Henderson who has resigned, I would advise that I am not favourable to this man's appointment as his work is not considered satisfactory.

I have no objection to the nomination of Mr. Shearman from Kitkatla Indian Day School to Metlakatla Day School, as the former school is too isolated for his advancing age, and I would recommend approval of same.

It is hoped to secure teachers for the other vacancies mentioned by His Grace and nominations will be forwarded in due course.

I enclose Mr. Inspector Barry's letter of the 3rd instant in this connection.

Yours faithfully,

James Shearman

My Dear Commissioner;

I have been awaiting an answer to certain correspondence I have had before writing you. I am now able to say that for Hazelton I have secured a most suitable teacher, a Mrs. E. V. Bird. Her present address is Savoy Apartments, 749 McClure St., Victoria. She has a first class Saskatchewan teacher's certificate, and has had a good deal of experience in Indian teaching. She will be able to take over on Feb. 1st next. Will you be good enough to pass on her recommended name to the department. She is too good a person to lose. It is a poor time to start a school, but she is the sort of teacher who would make valuable use of the time, and would be on hand for the autumn term of 1944.

I have heard of no one for the school at Massett. I hope you may be able to suggest one.

I am,

Yours faithfully,

G. A. Rix.

Schools;

The Kitsegukla Day School was the only one not open during the quarter, due to the lack of a teacher. The other eight day schools were in operation all three months. On account of the large number of pupils in attendance at the Hazelton Day School the senior pupils attended in morings and the juniors in afternoons.

I have your letter of the 13th instant, enclosing a communication from Indian Agent Mallinson, with reference to the large number of pupils who are attending the Hazelton Day School. I enclose herewith Mr. Indian Agent Mallinson's letter of March 7th in connection with pupilage accommodation at the Hazelton Indian Day School.

It will be noted that the attendance at the school has shown a marked increase during the past year to such an extent that it has been necessary for the teacher to take half of the class in the morning and the other half in the afternoon. As no accommodation is available at Hazelton for a second classroom, it is recommended that the school be operated on this half day basis as long as the attendance warrants such procedure and until a new school can be built.

Your file - 1-11-2

I wish to acknowledge your letter of December 12th, 1944, enclosing copies of letters from the Right Reverend G.A. Rix and from Mrs. Katherine S.S. Bird, Teacher of the Hazelton Indian Day School.

In talking the matter over with Mrs. Bird during the Christmas holidays it was decided to try out a method to cope with the number of pupils attending this school. For over two months now Mrs. Bird has taught grades 3-7 each morning and grades 1-2 each afternoon. This has been quite successful and each grade has really accomplished quite as much as previously when all classes were in school the entire day. Mrs. Bird informs me she has an attendance of over 20 both in the forenoon and afternoon.

The pupils of this school only stay away on account of sickness or on account of some other valid excuse. Mrs. Bird's personality has an attraction for the scholars and they attend quite regularly.

According to my records there are 35 boys and 41 girls of school age belonging to this reserve but, so many families are away I have no knowledge as to the number of those not residing here. However, I think every child on the reserve at the present time is attending school.

The month of May usually shows a decrease in attendance which becomes very marked in June. September also has a below average attendance. A large number of families are at the canneries during these three months which lowers the attendance considerably. The average attendance for 1944 is as follows:-

February -	30.1	March -	32.9	April -	39.5
May -	26.5	June -	18.4	Sept. -	23.03

INFORMATION FOR THE EMPLOYEE

8. **Dependents.** Taxpayers may claim as dependents **only**—
   (1) Any person under eighteen years of age and wholly dependent on the taxpayer for support and of whom the taxpayer has in law or in fact the custody and control.
   (2) Sons and daughters (including illegitimate sons and daughters) or sons-in-law or daughters-in-law, brothers and sisters or brothers-in-law or sisters-in-law, and grandchildren, if under eighteen years of age, or under twenty-one and attending school, or over eighteen years of age and incapable of self-support.
   (3) Parents, grandparents, parents-in-law, or grandparents-in-law, incapable of self-support.

   Employees claiming dependents other than their own children are advised to read Item 16 below.
9. **"Self-contained Domestic Establishment"** means a dwelling house, apartment or other similar place of residence, containing at least two bedrooms, in which residence amongst other things the taxpayer as a general rule sleeps and has his meals prepared and served. (See Item 17).
10. **Effect of Failure to File Form T.D.1 (Revised January 1946).** In cases where Form T.D.1 (Revised January 1946) is not completed and filed with the employer, deductions from all salaries or wages paid on or after January 1st, 1946, must be made as if the employee were a single person without dependents even though the employee may have filed a previous Form T.D.1. Single persons without dependents need not file this form.
11. **Change in Status or Dependents.** If during the year any change occurs in the status or dependents of an employee, the employee must complete and file with his employer an amended Form T.D.1. A change in the monthly Family Allowance cheque should not call for an amended T.D.1 Form unless the change is in excess of $1.00 per month. See Item 19 for information regarding effect of changes on deductions during the currency of the year.
12. **If Employee Has More Than One Employer,** it will be necessary to complete and file Form T.D.1 with each employer, to claim married status or dependents.
13. **Filing of Income Tax Return.** In addition to filing this form you must file your Income Tax Return Form T.1 Special or T.1 General for the calendar year on or before 30th April of the following year.
14. **Family Allowances rates**—
    For each child under 6 years of age, $5.00 per month
    For each child 6 or over but under 10, $6.00 per month
    For each child 10 or over but under 13, $7.00 per month
    For each child 13 or over but under 16, $8.00 per month
    Less reductions in monthly allowances—
    For the fifth child—$1
    For the sixth and seventh child—$2 each
    For the eighth and each additional child—$3 each

INSTRUCTIONS TO THE EMPLOYER

15. **If Form T.D.1 (Revised January 1946) Not Filed By Employee.** Any employee who fails to file a completed Form T.D.1. (Revised January 1946) must be regarded for tax deduction purposes as a single person without dependents.
16. **Employer to Disallow Claims for Excessive Number of Dependents.** To be entitled to the full tax credits for a dependent **other than the taxpayer's own children or grandchildren** (or children as defined in Item 8 (1) above), a taxpayer must contribute at least $400 per annum to the support of such dependent. Many persons are unaware of this limitation. For tax deduction purposes, employers will make deductions from the salary or wage of any employee claiming more than two such dependents in Item 5 as if the employee had only two dependents in addition to his own children or grand-children (or children as defined in Item 8 (1) above). The employer will notify the employee that he must submit proof of any claim for more dependents to the District Inspector of Income Tax. If the employee proves to the satisfaction of the Inspector that he is entitled to further allowances, the employer will be advised accordingly.
17. **Employer to Scrutinize Claims by Single Persons for Married Status.** The definition of a "Self-contained Domestic Establishment" contained in Item 9 indicates clearly that a taxpayer is not entitled to claim Married Status by reason of supporting a dependent therein unless the dependent actually resides with the taxpayer. Therefore, employers are instructed to check the address shown under Item 4(C) or 4(E) with the taxpayer's own address in Item 2 (which should show where he is actually living at the time of making the declaration) and in every case where the addresses are not the same the employer must make deductions as if the taxpayer were a single person, with or without dependents as the case may be.
18. **Employer's Responsibility Regarding Form T.D.1.** The employer will have regard to the instructions contained in Items 16 and 17 above and will otherwise make certain that the form is fully completed. If any employee shows children under 16 years of age as dependents under Items 4 or 5, he must also complete Item 6 or the employer shall not take account of such dependents under 16 years of age for tax deduction purposes. He will also delete as a dependent under Item 5 the name of any person whom the employee has already listed in Item 4 unless the claim for married status came within paragraph (C) thereof. If the employer has reason to believe that any of the information on this form is incorrect or false, he will not act upon the declaration until the employee has made the appropriate confirmation or correction. In case of doubt, the matter should be referred to the District Inspector of Income Tax.
19. **Action upon Receipt of Amended Form T.D.1 during Currency of Year.** Employees are required to file an amended Form T.D.1 if any change occurs in status or dependents. The employer should give immediate effect to a change from "Single" status to "Married" status; to an increase in the number of dependents and to any substantial change (i.e. in excess of $1.00 per month) in the Family Allowance cheque. A change from "Married" status to "Single" status (e.g. where the employee becomes a widower) should not be made effective until the first pay period in the next calendar year because the employee will still be entitled to claim "Married" status for the whole of the calendar year in which the change took place. Similarly, a decrease in the number of dependents should not generally require a change in the deductions until the following calendar year with one important exception due to the provision that a taxpayer may not claim as a dependent any person who has an income in excess of $400 during the calendar year. If, for example, a son who was previously supported by an employee and was claimed as a dependent on Form T.D.1 takes up employment from which he will earn over $400 during the calendar year, immediate effect should be given to the amended form T. D. 1 as otherwise the employee will be left with a substantial balance of tax to pay with his return on Form T.1 Special or T.1 General.
20. **Further Information or Forms** with respect to deduction of tax may be obtained from any District Inspector of Income Tax.
21. **Completed Forms T.D.1 must be Kept on File** by the employer in order that they may be available at all times for payroll inspection by officers of the Taxation Division.

INFORMATION FOR THE EMPLOYEE

8. **Dependents.** Taxpayers may claim as dependents **only**—
   (1) Any person under eighteen years of age and wholly dependent on the taxpayer for support and of whom the taxpayer has in law or in fact the custody and control.
   (2) Sons and daughters (including illegitimate sons and daughters) or sons-in-law or daughters-in-law, brothers and sisters or brothers-in-law or sisters-in-law, and grandchildren, if under eighteen years of age, or under twenty-one and attending school, or over eighteen years of age and incapable of self-support.
   (3) Parents, grandparents, parents-in-law, or grandparents-in-law, incapable of self-support.

   Employees claiming dependents other than their own children are advised to read Item 16 below.
9. **"Self-contained Domestic Establishment"** means a dwelling house, apartment or other similar place of residence, containing at least two bedrooms, in which residence amongst other things the taxpayer as a general rule sleeps and has his meals prepared and served. (See Item 17).
10. **Effect of Failure to File Form T.D.1 (Revised January 1946).** In cases where Form T.D.1 (Revised January 1946) is not completed and filed with the employer, deductions from all salaries or wages paid on or after January 1st, 1946, must be made as if the employee were a single person without dependents even though the employee may have filed a previous Form T.D.1. Single persons without dependents need not file this form.
11. **Change in Status or Dependents.** If during the year any change occurs in the status or dependents of an employee, the employee must complete and file with his employer an amended Form T.D.1. A change in the monthly Family Allowance cheque should not call for an amended T.D.1 Form unless the change is in excess of $1.00 per month. See Item 19 for information regarding effect of changes on deductions during the currency of the year.
12. **If Employee Has More Than One Employer,** it will be necessary to complete and file Form T.D.1 with each employer, to claim married status or dependents.
13. **Filing of Income Tax Return.** In addition to filing this form you must file your Income Tax Return Form T.1 Special or T.1 General for the calendar year on or before 30th April of the following year.
14. **Family Allowances rates**—
    For each child under 6 years of age, $5.00 per month
    For each child 6 or over but under 10, $6.00 per month
    For each child 10 or over but under 13, $7.00 per month
    For each child 13 or over but under 16, $8.00 per month
    Less reductions in monthly allowances—
    For the fifth child—$1
    For the sixth and seventh child—$2 each
    For the eighth and each additional child—$3 each

INSTRUCTIONS TO THE EMPLOYER

15. **If Form T.D.1 (Revised January 1946) Not Filed By Employee.** Any employee who fails to file a completed Form T.D.1. (Revised January 1946) must be regarded for tax deduction purposes as a single person without dependents.
16. **Employer to Disallow Claims for Excessive Number of Dependents.** To be entitled to the full tax credits for a dependent **other than the taxpayer's own children or grandchildren** (or children as defined in Item 8 (1) above), a taxpayer must contribute at least $400 per annum to the support of such dependent. Many persons are unaware of this limitation. For tax deduction purposes, employers will make deductions from the salary or wage of any employee claiming more than two such dependents in Item 5 as if the employee had only two dependents in addition to his own children or grand-children (or children as defined in Item 8 (1) above). The employer will notify the employee that he must submit proof of any claim for more dependents to the District Inspector of Income Tax. If the employee proves to the satisfaction of the Inspector that he is entitled to further allowances, the employer will be advised accordingly.
17. **Employer to Scrutinize Claims by Single Persons for Married Status.** The definition of a "Self-contained Domestic Establishment" contained in Item 9 indicates clearly that a taxpayer is not entitled to claim Married Status by reason of supporting a dependent therein unless the dependent actually resides with the taxpayer. Therefore, employers are instructed to check the address shown under Item 4(C) or 4(E) with the taxpayer's own address in Item 2 (which should show where he is actually living at the time of making the declaration) and in every case where the addresses are not the same the employer must make deductions as if the taxpayer were a single person, with or without dependents as the case may be.
18. **Employer's Responsibility Regarding Form T.D.1.** The employer will have regard to the instructions contained in Items 16 and 17 above and will otherwise make certain that the form is fully completed. If any employee shows children under 16 years of age as dependents under Items 4 or 5, he must also complete Item 6 or the employer shall not take account of such dependents under 16 years of age for tax deduction purposes. He will also delete as a dependent under Item 5 the name of any person whom the employee has already listed in Item 4 unless the claim for married status came within paragraph (C) thereof. If the employer has reason to believe that any of the information on this form is incorrect or false, he will not act upon the declaration until the employee has made the appropriate confirmation or correction. In case of doubt, the matter should be referred to the District Inspector of Income Tax.
19. **Action upon Receipt of Amended Form T.D.1 during Currency of Year.** Employees are required to file an amended Form T.D.1 if any change occurs in status or dependents. The employer should give immediate effect to a change from "Single" status to "Married" status; to an increase in the number of dependents and to any substantial change (i.e. in excess of $1.00 per month) in the Family Allowance cheque. A change from "Married" status to "Single" status (e.g. where the employee becomes a widower) should not be made effective until the first pay period in the next calendar year because the employee will still be entitled to claim "Married" status for the whole of the calendar year in which the change took place. Similarly, a decrease in the number of dependents should not generally require a change in the deductions until the following calendar year with one important exception due to the provision that a taxpayer may not claim as a dependent any person who has an income in excess of $400 during the calendar year. If, for example, a son who was previously supported by an employee and was claimed as a dependent on Form T.D.1 takes up employment from which he will earn over $400 during the calendar year, immediate effect should be given to the amended form T.D.1 as otherwise the employee will be left with a substantial balance of tax to pay with his return on Form T.1 Special or T.1 General.
20. **Further Information or Forms** with respect to deduction of tax may be obtained from any District Inspector of Income Tax.
21. **Completed Forms T.D.1 must be Kept on File** by the employer in order that they may be available at all times for payroll inspection by officers of the Taxation Division.

I am enclosing Mr. Indian Agent Boys' letter of October 28th and enclosure referred to therein, together with lists of the school age and pre-school age children on the Hazelton Indian Reserve. It will be noted from the information provided that it is imperative that we open a second classroom on this reserve to accommodate over 20 children in grades 2 to 5 inclusive, presently enrolled at the school, leaving the 34 children in grade 1 in the present classroom.

OK

The Church Army Hall, property of the band, is available for use as a second classroom at a rental of $60.00 per annum and an expenditure of approximately $450.00 for material and labour will be necessary to make it suitable for our purpose. Desks and other furnishings, including blackboards will cost approximately $400.00, and it would be appreciated if these expenditures could be approved, if funds are available for this purpose.

You will note that Mr. Boys refers to Adjutant Rendall, the Salvation Army Officer at Hazelton, who has agreed to accept the position as teacher of the second classroom. I have been in communication with Bishop Gibson regarding the appointment of a Salvation Army official as teacher on a reserve which was formerly considered as an Anglican Mission field, his letter of November 7th in this connection being enclosed. Adjutant Rendall's services will be available if and when required and a recommendation will be made with regard to his appointment and salary when departmental approval has been obtained for opening the second classroom and carrying out the necessary improvements and purchases.

Re: Hazelton Indian Day School

With reference to your 1-11-3 of Oct 11th regarding the opening of a second classroom at Hazelton, I have discussed this matter further with Brigadier Billingham and it appears that Adjutant Rendall has agreed to teach if necessary. Enrollment at Hazelton at present is as follows:

Grade 1 24
Grade 2.....12
Grade 3 5
Grade 4..... 2
Grade 5..... 2

I would recommend that Mrs. Massey be left with all Grade 1, and the remainder placed under Adjutant Rendall, if a suitable building can be prepared.

The Council of Hazelton Band is quite willing to give us use of the Church Army Hall at a rental of $60.00 per annum, but because the councillors are scattered at present, I have not been able to complete a resolution. This will be sent forward in a few days.

The Church Army Hall is in poor repair and most of the windows have been broken as a result of vandalism. It is proposed to build a partition across the south end, shutting off the back 20 ft., re-locate the stove, repair the outside walls and bank with earth to floor level, build outside toilets and paint the inside with a casein paint. Also build cupboards.

The only available carpenter is a white man, Mr. J. Reynolds, who could be assisted by Indian Frank Harris, a useful rough carpenter. Attached hereto is an estimate of cost of repairing and furnishing this old building.

It is not possible to obtain the necessary Vancouver Board nor the nails locally, and if these cannot be procured elsewhere

I have your letter of July 23rd, your file 151-9-1(WT 1) regarding copies of the bulletin for the teacher of Hazelton Indian School No. 2. I note that you have no further copies of the earlier issues of the bulletin and suggest that Mr. Rendell should avail himself of Mrs. Massey's copies. This is not a satisfactory arrangement because Mr. Rendell will wish to make use of the bulletin as a reference and will also require the requisition form on the back page of one of the copies. No doubt, at the commencement of the new term you will receive a number of similar requests from this and other Agencies where teachers have been found for schools that were not opened last year. There are three such schools in this Agency and I would ask that consideration be given to printing some additional copies of the bulletin.

It would appear that some divisions of your office are unaware that a second school was opened on the Hazelton Indian Reserve No. 1 last winter. Correspondence and circulars come in single copies and addressed merely to the Teacher, Hazelton Indian Day School. The original school was divided last winter and the Junior grades left with Mrs. J. Massy, whose school has been designated Hazelton Indian Day School No. 1 whilst the senior pupils were housed in another building under the direction of Mr. C. Rendell. Mr. Rendell has not been receiving the school bulleting and it would be appreciated if a copy of each bulletin might be mailed to him at your earliest convenience. These should be addressed to Mr C.Rendell, Hazelton Indian School #2, Hazelton, B.C.

Education

The need here, when material and funds are available, is a three, possibly four roomed school at Hazelton, with quarters, on a strictly undenominational basis and taking in Hagwilget the staff to include one Catholic teacher in order to avoid religious repercussions as sectarian division of feeling seems to run higher here among the three main divisions of the churches than else where in the Province. Inany event, the Hagwilget school alongside the main highway, is a disgrace.

Education We are most fortunate in having Mrs. Massey at Hazelton where she has been good naturedly handling much too large a class without complaint, but the new class room is just about ready to open and should be in operation by the 13th of January with some improvisation of desks and seats pending arrival of new ones, although the appointment of a teacher has not yet been made, due to the local applicant's tardiness in the matter. It is expected that this will help to remove a great deal of the local discontent with our educational set-up.

Hazelton, B.C.
December 30th, 1946.

Major D. M. MacKay, Indian Commissioner for B.C. Vancouver, B.C.

I enclose herewith application of Mr. Clarence Rendell for position as teacher for the senior classroom now being prepared for Hazelton Indian Day School. It will be noted that he has taught for twelve years in Newfoundland schools and holds what he considers to be the equivalent of a B.C. 1st class teacher's certificate. He is a Salvation Army Officer.

Anglicans and Salvationists are in about equal numbers on Hazelton Indian Reserve, although Mr. Boys' survey gave the Anglicans a small majority but this was due to rating the Ben McKenzie family as Catholics instead of Salvation Army, in error according to my information.

Mrs Jane Massey, who will take the Primary grade, is an Anglican and there would appear to be no valid objection to the appointment of a Protestant of another church, particularly as the Anglican Church was asked by Mr. Boys if they could supply a teacher and they admitted that they were unable. Mr. Rendell is aware, of course, that the school is pretty much on an undenominational basis and there is no room for the intrusion of any institutional bias. It is proposed that he take the senior class in the class room now being prepared.

As he has his own quarters I would recommend that he be paid on the same basis as Mrs Massey, that is, $131,00 per month and would recommend approval of his application.

Comments and signature of Indian Agent.

You will note that the amount of salary has been left blank by the applicant. This is because his teaching experience has been almost entirely in Newfoundland. Mr Rendell appears to have made efforts to keep abreast of modern trends by summer school attendance. I suggest a salary of $1560 p.a.
